***Late Fee will apply after the 10 minute grace period. Late Fee is \$10.00/per minute.**

Monthly tuition is not pro-rated. There are no discounts for days missed due to illness, absences, vacation, or the school being closed for holidays or emergencies.

No provision of the contract shall be modified except by a written instrument expressly referring to this contract and provision to be modified.

Tuition payments are due on the 1st of each month. All payments will be through FACTS Management Company.

Unless specific payment arrangements have been made with the School Office, tuition paid after the 4th of the month will be assessed a \$50.00 late fee and a late notice will be sent to the family. Checks returned for insufficient funds will incur a \$50.00 processing fee.

Delinquent tuition is defined as tuition that is 45 days past due or tuition that is 30 days past due three times during a school year. These accounts will be reviewed by the School Council Finance Committee which may, at its option, recommend to the Principal the termination of the enrollment of the child (ren) at St. Thomas More Child Development Center. If such action is taken, the Principal will give the family written notice of the decision. Terminated student must depart from St. Thomas More Child Development Center within two (2) school days.

All fees and tuition must be kept current. If prior to the first day of the new school term, a parent is transferred from the area, registration and general fees may, at the Principal's discretion, be refunded. Proof of transfer/move is required. Otherwise, all fees are nonrefundable.

Obligation of Parent or Guardians:

I agree to the following:

- a) I have read, understood, and now agree to the aforementioned terms and responsibilities;
- b) I agree and promise to make payments in accordance with the aforementioned payment schedule;
- c) In the event that I default in this contract, I agree to pay to St. Thomas More Child Development Center all reasonable and necessary costs of collection incurred to collect monies for services provided by St. Thomas More Child Development Center, including but not limited to: costs of any collection agent or agency; costs of Court; reasonable and necessary attorney's fees; prejudgment interest at the maximum rate allowed by law.
- d) **Withdrawal must be done 30 days prior to the last day of attendance. A withdrawal form must be filled out and turned in to the school office otherwise a full month's tuition will be charged for not completing the withdrawal form and giving the 30 days advance notice.**

Operational Discipline and Guidance Policy

This form provides the required information per 26 Texas Administrative Code (TAC) minimum standards Sections 744.501(7), 746.501(a)(7), and 747.501(5).

Directions: Parents will review this policy upon enrolling their child. Employees, household members and volunteers will review this policy at orientation. A copy of the policy is provided in the operational policies.

Discipline and Guidance Policy

Discipline must be:

- 1) individualized and consistent for each child;
- 2) appropriate to the child's level of understanding; and
- 3) directed toward teaching the child acceptable behavior and self-control.

A caregiver may only use positive methods of discipline and guidance that encourage self-esteem, self-control and self-direction, which include at least the following:

- 1) using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
- 2) reminding a child of behavior expectations daily by using clear, positive statements;
- 3) redirecting behavior using positive statements; and
- 4) using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- 1) corporal punishment or threats of corporal punishment;
- 2) punishment associated with food, naps or toilet training;
- 3) grabbing or pulling a child;
- 4) putting anything in or on a child's mouth;
- 5) humiliating, ridiculing, rejecting or yelling at a child;
- 6) subjecting a child to harsh, abusive or profane language;
- 7) placing a child in a locked or dark room, bathroom or closet;
- 8) placing a child in a restrictive device for time out;
- 9) withholding active play or keeping a child inside as a consequence for behavior, unless the child is exhibiting behavior during active play that requires a brief supervised separation or time out that is consistent with 746.2803(4)(D); and
- 10) requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

Additional Discipline and Guidance Measures

(Only Applies to Before or After School Program (BAP)/School Age Program (SAP) that Operates under 26 TAC Chapter 744)

A program must take the following steps if it uses disciplinary measures for teaching a skill, talent, ability, expertise or proficiency:

- ensure that the measures are considered commonly accepted teaching or training techniques;
- describe the training and disciplinary measures in writing to parents and employees and include the following information:
 - (A) the disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
 - (B) what behaviors would warrant the use of these measures; and
 - (C) the maximum amount of time the measures would be imposed;
- inform parents that they have the right to ask for additional information; and
- ensure that the disciplinary measures used are not considered abuse, neglect, or exploitation as specified in Texas Family Code Section 261.001 and TAC Chapter 745, Subchapter K, Division 5, of this title (relating to Abuse and Neglect).

Operational Policy on Infant Safe Sleep

This form provides the required information per minimum standards Sections 746.501(9) and 747.501(6) for the safe sleep policy.

Directions: Parents will review this policy upon enrolling their infant at _____ and a copy of the policy is provided in the parent handbook. Parents can review information on safe sleep and reducing the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death (SIDS/SUIDS) at: <http://www.healthychildren.org/English/ages-stages/baby/sleep/Pages/A-Parents-Guide-to-Safe-Sleep.aspx>

Safe Sleep Policy

All staff, substitute staff, and volunteers at St. Thomas More Child Development Center will follow these safe sleep recommendations of the American Academy of Pediatrics (AAP) and the Consumer Product Safety Commission (CPSC) for infants to reduce the risk of Sudden Infant Death Syndrome/Sudden Unexpected Infant Death Syndrome (SIDS/SUIDS):

- Always put infants to sleep on their backs unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2427 and 747.2327].
- Place infants on a firm mattress, with a tight-fitting sheet, in a crib that meets the CPSC federal requirements for full-size cribs and for non full-size cribs [Sections 746.2409 and 747.2309].
- For infants who are younger than 12 months old, cribs play yards should be bare except for a tight-fitting sheet and a mattress cover or protector. Items that should not be placed in a crib or play yard include: soft or loose bedding, such as blankets, quilts or comforters; pillows; stuffed toys and animals; soft objects; bumper pads; liners; or sleep positioning devices [Sections 746.2415(b) and 747.2315(b)]. Also, infants must not have their heads, faces or cribs covered at any time by items such as blankets, linens, or clothing [Sections 746.2429 and 747.2329].
- Do not use sleep positioning devices, such as wedges or infant positioners. The AAP has found no evidence that these devices are safe. Their use may increase the risk of suffocation [Sections 746.2415(b) and 747.2315(b)].
- Ensure that sleeping areas are ventilated and at a temperature that is comfortable for a lightly clothed adult [Sections 746.3407(10) and 747.3203(10)].
- If an infant needs extra warmth, use sleep clothing _____ (insert type of sleep clothing that will be used, such as sleepers or footed pajamas) as an alternative to blankets [Sections 746.2415(b) and 747.2315(b)].
- Place only one infant in a crib to sleep [Sections 746.2405 and 747.2305].
- Infants may use a pacifier during sleep. But the pacifier must not be attached to a stuffed animal [Sections 746.2415(b) and 747.2315(b)] or the infant's clothing by a string, cord or other attaching mechanism that might be a suffocation or strangulation risk [Sections 746.2401(6) and 747.2315(b)].
- If the infant falls asleep in a restrictive device other than a crib (such as a bouncy chair or swing or arrives to care asleep in a car seat), move the infant to a crib immediately, unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2426 and 747.2326].
- Our child care program is smoke-free. Smoking is not allowed in Texas child care operations (this includes e-cigarettes and any type of vaporizers) [Sections 746.3703(d) and 747.3503(d)].
- Actively observe sleeping infants by sight and sound [Sections 746.2403 and 747.2303].
- If an infant can roll back and forth from front to back, place the infant on the infant's back for sleep and allow the infant to assume a preferred sleep position [Sections 746.2427 and 747.2327].
- Awake infants will have supervised "tummy time" several times daily. This will help them strengthen their muscles and develop normally [Sections 746.2427 and 747.2327].
- Do not swaddle an infant for sleep or rest unless you provide Form 3019, Infant Sleep Exception/Health Care Professional Recommendation, signed by the infant's health care professional [Sections 746.2428 and 747.2328].

Please fax form to _____ at fax number _____.

(School Name)

According to the policies of the Archdiocese of San Antonio, students are not allowed to carry any medication on their person. (An exception may be allowed if, by physician direction, a student requires diabetic or rescue medication.) The principal designates a responsible person to supervise the storing and administration of medications at school. Medication may be administered by non-medical personnel. The school will be held harmless for adverse drug reactions and side effects of properly administered medication. The following steps must be taken before a student is allowed to take medication at school:

1. The prescribing health care provider (*either a licensed Physician, Dentist, Physician Assistant or Nurse Practitioner*) must complete this form so that medication may be given by school personnel.
2. **Parent/guardian** must present this completed consent form to the school
3. **Parent/guardian** must bring the medication in the original prescription bottle, properly labeled by a registered pharmacist as prescribed by law. If bringing a prescribed over-the counter, must be accompanied by prescription and in original, unopened container labeled with the student's name.

2023 - 2024 Texas Minimum State Vaccine Requirements for Child-Care and Pre-K Facilities

This chart summarizes the vaccine requirements incorporated in the Texas Administrative Code (TAC), Title 25 Health Services, §§97.61-97.72. This chart is not intended as a substitute for consulting the TAC, which has other provisions and details. The Department of State Health Services (DSHS) is granted authority to set immunization requirements for child-care facilities by the Human Resources Code, Chapter 42.

A child shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a child-care facility in Texas.

Age at which child must have vaccines to be in compliance:	Minimum Number of Doses Required of Each Vaccine							
	Diphtheria / Tetanus / Pertussis (DTaP)	Polio	Hepatitis B (HepB) ¹	<i>Haemophilus influenzae</i> type b (Hib) ²	Pneumococcal conjugate vaccine (PCV) ³	Measles, Mumps, & Rubella (MMR) ^{1,4}	Varicella ^{1,4,5}	Hepatitis A (HepA) ^{1,4}
0 through 2 months								
By 3 months	1 Dose	1 Dose	1 Dose	1 Dose	1 Dose			
By 5 months	2 Doses	2 Doses	2 Doses	2 Doses	2 Doses			
By 7 months	3 Doses	2 Doses	2 Doses	2 Doses	3 Doses			
By 16 months	3 Doses	2 Doses	2 Doses	3 Doses	4 Doses	1 Dose	1 Dose	
By 19 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	
By 25 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	1 Dose
By 43 months	4 Doses	3 Doses	3 Doses	3 Doses	4 Doses	1 Dose	1 Dose	2 Doses

↓ Notes on the back page, please turn over. ↓

1 Serologic evidence of infection or serologic confirmation of immunity to measles, mumps, rubella, hepatitis B, hepatitis A, or varicella is acceptable in place of vaccine.
2 A complete Hib series is two doses plus a booster dose on or after 12 months of age (three doses total). If a child receives the first dose of Hib vaccine at 12 - 14 months of age, only one additional dose is required (two doses total). Any child who has received a single dose of Hib vaccine on or after 15 - 59 months of age is in compliance with these specified vaccine requirements. Children 60 months of age and older are not required to receive Hib vaccine.
3 If the PCV series is started when a child is seven months of age or older or the child is delinquent in the series, then all four doses may not be required. Please reference the information below to assist with compliance:

- For children seven through 11 months of age, two doses are required.
 - For children 12 - 23 months of age: if three doses have been received prior to 12 months of age, then an additional dose is required (total of four doses) on or after 12 months of age. If one or two doses were received prior to 12 months of age, then a total of three doses are required with at least one dose on or after 12 months of age. If zero doses have been received, then two doses are required with both doses on or after 12 months of age.
 - Children 24 months through 59 months meet the requirement if they have at least three doses with one dose on or after 12 months of age, or two doses with both doses on or after 12 months of age, or one dose on or after 24 months of age. Otherwise, an additional dose is required. Children 60 months of age and older are not required to receive PCV vaccine.
- 4 For MMR, Varicella, and Hepatitis A vaccines, the first dose must be given on or after the first birthday. Vaccine doses administered within four days before the first birthday will satisfy this requirement.
- 5 Previous illness may be documented with a written statement from a physician, school nurse, or the child's parent or guardian containing wording such as: "This is to verify that (name of child) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine." The written statement will be acceptable in place of any, and all varicella vaccine doses required.

Information on exclusions from immunization requirements, provisional enrollment, and acceptable documentation of immunizations may be found in §97.62, §97.66, and §97.68 of the Texas Administrative Code, respectively and online at <https://www.dshs.texas.gov/immunize/school/default.shim>.

Exemptions

Texas law allows (a) physicians to write medical exemption statements which clearly state a medical reason exists that the person cannot receive specific vaccines, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at www.dshs.texas.gov/immunize/school/exemptions.aspx. The original Exemption Affidavit must be completed and submitted to the school.

For children claiming medical exemptions, a written statement by the physician must be submitted to the school. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

Documentation

Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. Validation includes a signature, initials, or stamp. An immunization record generated from an electronic health record must include clinic contact information and the provider's signature/stamp, along with the vaccine name and vaccination date (month, day, and year). An official record generated from a health authority is acceptable. An official record received from school officials, including a record from another state is acceptable.

Requisitos mínimos de vacunación en el estado de Texas de 2023 a 2024 para centros de cuidado infantil y de prekínder

Esta gráfica resume los requisitos de vacunación incorporados en las secciones 97.61 a 97.72 del título 25 (Servicios de salud) del Código Administrativo de Texas (TAC). La gráfica no pretende sustituir la consulta del TAC, el cual contiene otras disposiciones y detalles. Según lo dispuesto en el capítulo 42 del Código de Recursos Humanos, se confiere al Departamento Estatal de Servicios de Salud (DSHS) la facultad de establecer los requisitos en materia de inmunización para los centros de cuidado infantil.

Los niños deberán presentar comprobantes de vacunación aceptables antes de inscribirse, asistir o ser transferidos a un centro de cuidado infantil en Texas.

Edad a la que el niño debe recibir las vacunas para cumplir con los requisitos:	Número mínimo de dosis necesarias de cada vacuna							
	Difteria / tétanos / tos ferina (DTaP)	polio	Hepatitis B (HepB) ¹	<i>Haemophilus influenzae</i> , tipo b (Hib) ²	Vacuna anti-neumocócica conjugada (PCV) ³	Sarampión, paperas y rubecola (MMR) ^{1,4}	Varicela ^{1,4,5}	Hepatitis A (HepA) ^{1,4}
De 0 desde 2 meses								
Antes de los 3 meses	1 dosis	1 dosis	1 dosis	1 dosis	1 dosis			
Antes de los 5 meses	2 dosis	2 dosis	2 dosis	2 dosis	2 dosis			
Antes de los 7 meses	3 dosis	2 dosis	2 dosis	2 dosis	3 dosis			
Antes de los 16 meses	3 dosis	2 dosis	2 dosis	3 dosis	4 dosis	1 dosis	1 dosis	
Antes de los 19 meses	4 dosis	3 dosis	3 dosis	3 dosis	4 dosis	1 dosis	1 dosis	
Antes de los 25 meses	4 dosis	3 dosis	3 dosis	3 dosis	4 dosis	1 dosis	1 dosis	1 dosis
Antes de los 43 meses	4 dosis	3 dosis	3 dosis	3 dosis	4 dosis	1 dosis	1 dosis	² dosis

↓ Notas al reverso, por favor dé la vuelta. ↓

- 1 Una prueba serológica de infección o la confirmación serológica de inmunidad al sarampión, paperas, rubeola, hepatitis B, hepatitis A o varicela se aceptarán en lugar de la vacuna.
- 2 Una serie completa de la vacuna Hib consta de dos dosis más una dosis de refuerzo a los 12 meses de edad o después (tres dosis en total). Si un niño recibe la primera dosis de la vacuna Hib entre los 12 y los 14 meses de edad, solo será necesaria una dosis adicional (dos dosis en total). Si un niño ha recibido una sola dosis de la vacuna Hib en o después de los 15 a 59 meses de edad, cumple con los requisitos de esta vacuna específica. Los niños mayores de 60 meses de edad no necesitan recibir la vacuna Hib.
- 3 Si la serie de vacunas PCV se empieza a administrar cuando el niño es mayor de siete meses de edad, o si el niño se atrasó al recibir alguna dosis de la serie, entonces puede que no sean necesarias las cuatro dosis. Para ayudarse a cumplir con los requisitos, refiérase a la información siguiente:
 - Para los niños de siete a 11 meses de edad, se requieren dos dosis.
 - Para los niños de 12 a 23 meses de edad: si han recibido tres dosis antes de los 12 meses de edad, entonces deberán recibir una dosis adicional (para un total de cuatro dosis) a los 12 meses de edad o después. Si han recibido una o dos dosis antes de los 12 meses de edad, entonces necesitan un total de tres dosis, una de las cuales al menos deben recibirla a los 12 meses de edad o después. Si no han recibido ninguna dosis, entonces necesitan recibir dos dosis, y ambas deberán recibirlas a los 12 meses de edad o después.
 - Los niños de 24 a 59 meses de edad cumplen con los requisitos si recibieron al menos tres dosis, una de las cuales la recibieron a los 12 meses de edad o después; o dos dosis, ambas recibidas a los 12 meses de edad o después; o una dosis recibida a los 24 meses de edad o después. De lo contrario, es necesaria una dosis adicional. Los niños mayores de 60 meses de edad no necesitan recibir la vacuna PCV.
- 4 Para la vacuna MMR y las vacunas contra la varicela y la hepatitis A, la primera dosis debe administrarse en el primer cumpleaños o después. Las dosis de vacunas administradas en los 4 días anteriores al primer cumpleaños satisfacen los requisitos.
- 5 Si se ha padecido anteriormente la enfermedad, esto puede documentarse con una declaración por escrito de un médico, del personal de enfermería de la escuela, o del padre o tutor del niño, y debe contener una afirmación como la siguiente: "Mediante este documento confirmo que (nombre del niño) tuvo varicela el día (fecha), o alrededor de esta fecha, y no necesita la vacuna contra la varicela". Esta declaración por escrito será aceptable en lugar de cualquiera de las dosis requeridas de la vacuna contra la varicela.

La información sobre las exclusiones de los requisitos de inmunización, la inscripción provisional y la documentación aceptable de las inmunizaciones puede encontrarse en las secciones 97.62, 97.66 y 97.68, respectivamente, del Código Administrativo de Texas, y en línea en <https://www.dshs.texas.gov/immunize/school/default.shtml> (en inglés).

Exenciones

La ley en Texas permite: (a) que los médicos declaren por escrito la exención médica, siempre que en ella se indique claramente que existe un motivo médico por el que la persona no puede recibir determinadas vacunas, y (b) que los padres o tutores opten por la exención de los requisitos de inmunización por motivos de conciencia, incluida una creencia religiosa. La ley no autoriza, sin embargo, a que los padres o tutores elijan la exención simplemente para evitarse molestias (por ejemplo, que se hubiera extraviado un registro o este estuviera incompleto, y para ellos fuera demasiado difícil acudir con un médico o a una clínica para corregir el problema). Las escuelas deben mantener una lista actualizada de los estudiantes con exenciones, con el fin de que puedan ser excluidos en el caso de una emergencia o una epidemia declarada por el comisionado de salud pública.

Podrá encontrar las instrucciones para solicitar la declaración jurada de exención oficial, que debe ser firmada por los padres o tutores que opten por la exención por motivos de conciencia, incluida una creencia religiosa, en www.dshs.texas.gov/immunize/school/exemptions.aspx (en inglés). La declaración jurada de exención debe llenarse y enviarse a la escuela en su versión original.

En el caso de los niños sujetos a exenciones médicas, es necesario presentar a la escuela una declaración por escrito del médico. A menos que en la declaración conste por escrito que existe un padecimiento médico de por vida, la declaración de exención es válida por solo un año a partir de la fecha en que la firmó el médico.

Documentación

Dado que se utilizan distintos tipos de registros personales de vacunación, cualquier documento será aceptable siempre y cuando un médico o el personal de salud pública lo haya validado. La validación incluye una firma, las iniciales o el sello. Un registro de vacunación procedente de un registro de salud electrónico debe incluir la información de contacto de la clínica o centro médico y la firma o el sello del proveedor, junto con el nombre de la vacuna y la fecha de vacunación (mes, día y año). Se acepta un registro oficial que provenga de una autoridad de salud. También se acepta un registro oficial que se haya recibido de funcionarios de la escuela, incluido un registro de otro estado.

We are delighted to have your child join our community. All families must create a FACTS Family Portal account before their child starts school. It only takes a few minutes to setup your account. *Once you submit the Application with the required documents and your application has been reviewed, you will receive an email from me stating that you can now create a FACTS account. Please wait to receive this email. There is a process that I need to complete before you try to create your FACTS account. Otherwise it will not let you create your account.*

Instructions for Creating a Family Portal Login

- Please go to FACTSmgmt.com
- Select **Family Login** from the menu bar and **FACTS Family Portal** from the drop-down menu.
- After the **FACTS Family Portal** Login screen opens, please select Create New Family Portal Account.
- Enter **STO-TX** into the District Code field.
- Enter in the Email field your email address as provided in your application to the school.
- Click the Create Account button.
- You will receive an email from FACTS Customer Support containing a link that will allow you to create your username and password. For security purposes the link will remain active for 6 hours.
- Please click on the link. A Change/Create Password screen will open. You may use the default username provided, or create a new username. Then type in your desired password into the Password field and Confirm Field.
- Click on the Save Username and/or Password button.
- Close the window.
- Log into Family Portal as instructed below.

To access Family Portal:

- Please go to FACTSmgmt.com
- Select **Family Login** from the menu bar and **FACTS Family Portal** from the drop-down menu.
- Enter **STO-TX** into the District Code field.
- Enter your username and password. If you have forgotten your username or password, please click on the link provided.
- When you are in your Family Portal go to Financial Home to set up your FACTS account.

If you have any questions about the process, please contact me at lbrown@stmcs62.org or 210-655-2882.

- 2 containers of Lysol/Clorox wipes
- 1 can of Lysol Spray
- Diapers/Pull-ups (see below)

- 1 box of baby wipes that contains several individual packages of wipes. Example Total wipes 280 or more. (We will let you know when to send more in.) If you are looking for a soft and comfortable option for your child's wipes, you might want to consider the *Pampers* brand.

- Water bottle (no glass bottles)
- Two extra sets of clothes (see below)
- Lunch box (parent provides lunch and snack daily)

- Backpack - When it comes to selecting a backpack, it would be best if you go for a clear one as it would allow us to easily see what's inside. Make sure the child has their right items. Additionally, make sure that the backpack is spacious enough to accommodate a 2-inch binder and any additional items to stay organized.

- Kid-napper (nap mat with attached pillow and blanket)
This Kid-napper may be purchased online at:

Or you can purchase a similar one on Amazon.com

STMDC School Supply List

The following items should be provided to the school on your child's first day of class. Please label all personal items in permanent marker with your child's name. A note will be sent home when supplies need to be replenished. If soiled clothing is sent home, please send replacement clothes the following day.

1. Two complete sets of extra clothes, including socks. If potty training, bring an extra pair of shoes as well. Washable shoes like crocs are great!
Remember: **ALL CLOTHING MUST BE LABELED WITH YOUR CHILD'S NAME!!**
2. A family picture (4X6) we can place in our room for the children to look and talk about.
3. One package of the type of diapers your child needs. We will let you know when you are running low. If your child is working on or has mastered the toileting process, please include several pairs of underwear or cloth training pants.
4. **Clothing Considerations:**

Clothes should be comfortable and allow for freedom of movement and independence in dressing. Clothes that can be easily laundered are highly recommended, since we never know when there may be a leftover puddle at the bottom of the slide or when your budding Picasso gets paint somewhere other than the paper! For shoes, see the description below.

Please do not send your child to school in anything that will not survive mud, paint, tomato sauce, or yogurt. Making messes is a constant part of toddler life - of course, you already knew that! Also, please label every item of clothing, down to mittens and socks, with your child's name! We simply cannot keep track of everyone's clothes, and young children just don't know the difference between what is theirs and what they *wish* was theirs! Labeling clothes helps us get them back to the right child.

5. **Shoes** must be closed toed athletic type shoes or washable type shoes safe to play outside in mulch.
